Summary:

This is a notification that the PI4-2 interface will be **made obsolete from September 2011**. The functionality of the PI4-2 (A-1506-0010) is available from the PI200-2 (A-1207-0050) interface.

It is Renishaw's policy to support an obsolescent product, through repair, RBE, or replacement for 5 years and endeavour to support it for a further 5 years. This policy will be applied to the PI4-2 starting September 2011.

Affected part number is :- A-1506-0010

PI4-2 will be deleted from the next issue of the divisional price list.
