D Joynson		Internal	✓
		Subsidiaries	✓
Reviewer:		OEMs	✓
M Alvarez		Distributors	✓
		Retrofitters	✓

Summary:

The PI6 is being made obsolete with immediate effect. The product has become a very low volume product and a number of key components have become obsolete.

The functionality of the PI6 is available in the PI200 and PI4 interfaces

It is Renishaw's policy to support an obsolescent product, through repair, RBE, or replacement for 5 years and endeavour to support it for a further 5 years. This policy will be applied to the PI6.

The affected part number is A-1033-0001.

This product will be deleted from the next issue of the divisional price list but in the interim could you please manually delete it.

If you have any questions or comments on this bulletin please visit www.renishaw.com/cmmsupport and use the "Contact" facility. This will ensure that your call is logged and processed efficiently
