PRODUCT BULLETIN – PBC1584

Product:	PH10 range	Status:	Open
Title:	Machinery directive markings	Date:	3 rd February 2012

Originator:		Distribution:	
L Quick		Internal	✓
		Subsidiaries	✓
Reviewer:		OEMs	✓
D Wallace		Distributors	✓

Summary:

Changes to the Machinery Safety Directive (EU Directive 2006-42-EC) have resulted in a requirement to change the markings on the PH10 motorised heads in order to conform to the latest standards.

PH10T and PH10M

Current label

New label

It is anticipated that we will start shipping PH10T and PH10M heads with these new labels from February 2012 as we are currently exhausting stock.

PH10MQ

Current label

New label

It is anticipated that we will start shipping PH10MQ heads with these new labels from March 2012 as we are currently exhausting stock.

ACTIONS

1. Advise OEMs and customers of this change.
