## REVO system

Product user guides are available at:

[www.renishaw.com/cmmguides](http://www.renishaw.com/cmmguides)

If it is necessary to return any part of the REVO system please ensure it is packaged carefully. Failure to do so could result in transit damage to the head for which the customer would be liable. To return the REVO head, the relevant plastic boxes originally supplied **MUST** be used.

**CAUTION: DO NOT** manually move the REVO head's axes without air as this could damage the bearings.
