2. Renishaw is currently experiencing some problems sourcing the components required to repair PHS1 heads. As a result of this, and before placing an order, customers are advised to contact Renishaw for advice on the feasibility of repair.

Further details:

Upgrade your PHS1 to PHS-2 before December 31st 2018 and receive a free extended warranty.

- Upgrade to a new PHS-2 and receive a 36-month warranty*
- Upgrade to a “Cosmetic PHS-2 RBE”, i.e. a refurbished head which is cosmetically good, and receive a 30-month warranty*

Please note that some installations require a controller firmware upgrade to utilise the PHS-2. Therefore please discuss with your CMM OEM / agent before upgrading to PHS-2.

*Pricing is subject to a PHS1 being returned to Renishaw. Applies to orders placed before the end of December 2018 for delivery before the end of March 2019.
