RoHS Statement – Styli Products

Renishaw plc declares that the Styli range of products are considered to be consumables and therefore fall outside of the scope of the Directive 2011/65/EU of the European Parliament and of the Council of 8th June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast) (RoHS), as amended by the directive (EU) 2015/863 of 31st March 2015.
